

Download The Traits Of Candid Leadership

This book gives a tale from the side of a mentee as he learnt the lessons on candid leadership from a candid leader. The book looks at the Leadership Style of a Mr Toddy Sinkamba and what really struck his mentee and prompted this script. Not exhibiting these traits or exhibiting the opposite of these traits will decrease your leadership influence with those around you. It is important to exhibit, model and display these traits. Simply possessing each trait is not enough; you have to display it in a way that people notice. Leadership is one of those nebulous terms -- you hear it all the time but it has various definitions. The traits that make up a good leader can vary depending on the organization, team, manager ... The trait theory of leadership focuses on identifying different personality traits and characteristics that are linked to successful leadership across a variety of situations.
