

# Download This Year You Write Your Novel Walter Mosley

"This Year You Write Your Novel" is a confused text on writing by author Walter Mosley (a prolific author of Mystery novels, fyi). What begins as an authentically interesting premise of being a guiding trail for your novel in progress, a text which serves as a companion while you undergo the months of producing a novel-length manuscript, immediately devolves into a very brief, same-same discussion on the elements of writing (point of view, theme, etc.). This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work. Excerpted from *This Year You Write Your Novel* by Walter Mosley Copyright © 2007 by Walter Mosley. Excerpted by permission. All rights reserved. No part of this excerpt may be reproduced or reprinted without permission in writing from the publisher. Mosley tells how to: - Create a daily writing regimen to fit any writer's needs—and how to stick to it. - Determine the narrative voice that's right for every writer's style. - Get past those first challenging sentences and into the heart of a story. Intended as both inspiration and instruction, **THIS YEAR YOU WRITE YOUR NOVEL** provides the tools to turn out a first draft painlessly and then revise it into something finer.
