

Download What In The World Is A Green School Going Green

Join John Hardy on a tour of the Green School, his off-the-grid school in Bali that teaches kids how to build, garden, create (and get into college). The centerpiece of campus is the spiraling Heart of School, perhaps the world's largest freestanding bamboo building. The International Baccalaureate® (IB) offers four high quality international education programmes to more than one million students in more than 146 countries. Drawing on the theme of Mainstreaming Green Finance, the 2nd Green Finance Summit will bring together high-level speakers to present on policy and regulatory developments. The Associated Press delivers in-depth coverage on today's Big Story including top stories, international, politics, lifestyle, business, entertainment, and more.
