Where the Wind Leads, by Vinh Chung with Tim Downs. Most of the reviews of this book, at Amazon and elsewhere, seem to be addressed to a religious audience. The book deserves a wider audience -- among those more inclined toward the secular, toward humanism, toward science, and especially those with an interest in sociology. Where the Wind Leads is Vinh's tribute to the courage and sacrifice of his parents, a testimony to his family's faith, and a reminder to people everywhere that the American dream, while still possible, carries with it a greater responsibility. Where the Wind Leads is the remarkable account of Vinh Chung and his refugee family's daring escape from communist oppression for the chance of a better life in America. It's a story of personal sacrifice, redemption, endurance against almost insurmountable odds, and what it truly means to be The first-hand account of a Vietnamese refugee who now lives the American dream.
